**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

**MS Amendment**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Examiner:

This paper is being filed in response to a Notice of Non-Compliant Amendment mailed on September 6, 2006. As this paper is being transmitted to the USPTO on October 4, 2006, it is believed that no extension of time or fee is due.

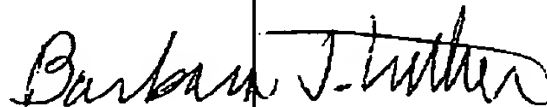

In response to the Notice of Non-Compliant Amendment, Applicants respond as follows:

Mistakenly, Applicants provided only the pages that required correction, not the entire amendment, causing the Examiner to believe that we had not listed all the claims. Enclosed is the entire preliminary amendment with the previously requested corrections and a complete claim listing.

Applicants believe that this is a complete response to the September 6 Notice.

Applicants hereby request that these changes be entered in the file history and that the application be examined on the merits.

Respectfully,

Customer No. 51951
